

Registration for the working group System Reliability of Assembly and connection technologies

The funding of the lecture event as well as the entire organization takes place via the **annual conference Participation fee of 1295,- €** per company / organization and location. The participation fees are according to § 4 No. 22 UStG **VAT-free** and include conference documents, lunches and pause drinks. Members of the AK Legal Environmental Management, also organized by the Fraunhofer IZM get a discount of € 100 per company site.

You can always register for the working group to attend the next meeting. On demand, an introductory price can be arranged for a meeting, which at registration with the annual fee is charged. Please use only this form for the registration, which you like to email us, fax (030 46403-211) or send by post.

You can terminate your membership to the working group at any time without giving any reason to the end of the year. Should you not have canceled by December 31st your membership will be extended for another year. Please use the template on the Working Group website, to cancel.
